

Against Fee System in Large Cities

Convention Would Pay Public Officers Straight Salary

JEFFERSON CITY, May 11.—(AP)—A ban against public officers of Missouri's Metropolitan centers taking their pay from the fees they collect and requiring they be paid only a straight salary was approved today by the constitutional convention.

Only St. Louis, St. Louis county and Jackson county would be affected by the measure, which is limited to counties of more than 100,000 population—and St. Louis county already pays straight salaries to all its officials except probate judge.

A motion by V. E. Phillips (D), Kansas City, to extend the salary requirement and fee prohibition to all counties was rejected after Claude Arnold (D), Puxico, asserted "it would bankrupt" many small counties.

Public administrators of estates and notaries public would be exempted from the ban on keeping fees.

A similar measure which would put peace officers of all counties—except constables and justices of the peace—on salaries and turn their fees into county general revenue funds was adopted last week.

Arguing for the fee ban in large counties, Clem Stockman (D) St. Louis, said that city's collector received as much as \$28,000 in one year from fees.

Another new section approved by the convention authorizes cities and counties to cooperate with each other or with other states or with cities and counties in other states "for the planning, development, construction, acquisition or operation of any public improvement or facility or for a common service."

Sponsors said it would, for example, permit Kansas City or St. Louis to construct and operate airports located nearby in Kansas or Illinois.

O. C. Tee (R), Hamilton, protested it "would open the way for federal domination of the state through the acceptance of conditions necessary to receiving grants from the federal government."

But he was outvoted and the proposal approved by a voice vote.

Only 56 Votes Needed for FDR

By The Associated Press
With 533 votes pledged or claimed for a fourth term, supporters needed only 56 additional today to supply the 589 needed for renomination of President Roosevelt on the first ballot at the July Democratic convention in Chicago.

Washington Democrats may furnish 18 of these in a state convention Saturday. With action of Tennessee Republicans in picking 19 delegates at a state convention tomorrow, this will complete the week's party activities.

Although the president has declined to say anything about a fourth term, there was accumulating evidence that party faithful who want him to run again have become increasingly confident that he will accept a draft nomination.

No O.K. on Paid War Bond Sale Ads

WASHINGTON, May 11.—(AP)—The house rules committee refused today to approve legislation providing for paid newspaper advertising of government war bond sales.

Chairman Sabath (D-Ill.) said the committee voted the bill down, but did not disclose the margin. The measure would provide for an annual outlay of \$15,000,000 to be spent in all weeks and in dailies published in cities of less than 25,000 population.

Critics of the bill have contended that newspapers now grant much more space voluntarily to war bond promotion than the government ever could pay for.

Leading U. S. Ace in Washington

WASHINGTON, May 11.—(AP)—Major Richard I. Bong, onetime popular, Wisconsin farm boy, who helped 27 enemy airplanes to get down on the ground much faster than they came up, is in Washington.

The nation's leading American air ace in the southwest Pacific—he surpassed the record of World War one's Capt. Eddie Rickenbacker—knocked down his 26th and 27th planes over the Japanese base at Hollandia, New Guinea.

Purpose of his trip to the capital was not disclosed by the war department.

Missouri Pacific Fireman Killed

MARQUARD, Mo., May 11.—(AP)—William C. Murray, 31, East St. Louis, Ill., fireman on a double-header Missouri Pacific freight train was killed late yesterday and four other trainmen injured when the locomotive plowed into the rear of a standing freight train on a branch line near here.

Speech Class Students at Kiwanis Club

Entertain Club Members With Declarations

Three students of the speech class, Smith-Cotton high school, presented the program at the meeting of the Sedalia Kiwanis club in Bothwell hotel Thursday noon, in observance of National Youth week.

The three young men had previously won distinction in the recent forensic league contest. Lon Klink, Jr., gave a humorous declamation; Barry Regan, a dramatic declamation and Don Lamm, Jr., an oratorical declamation.

Sam Harlan, who with the Rev. W. C. Bessmer, arranged the program, presided and introduced the speakers.

John F. Judd of the Burnett Packing Co., was inducted as a new member by the Rev. Clyde S. Sherman and Heber Hunt.

Honor Roll

In appreciation of the Sedalia club's support of his candidacy for lieutenant governor, the Rev. H. U. Campbell presented the club with a Kiwanis honor roll plaque bearing the names of the Sedalia organization's members in service: Jack Crawford, Burney Morris, John Joe McGrath and Dick Van Dyne.

L. W. Satorius was reported ill at his home.

President Harry Brunkhorst announced there would be a meeting of the directors at Kueck's Friday noon.

Guests were: R. W. Cook with B. J. Cullen; Howard Peck with Paul Hedderich; Reginald Snyder and J. E. McDonald with I. H. Reed; Jim Green with John Ryan.

Inducted Together, Killed at Same Time

JACKSON, Mo., May 11.—(AP)—Two men from this small Missouri town, Walter Burgfeld, 37, and John T. Klobe, 36, close friends for years prior to their induction into the army, continued that friendship to death.

Inducted Feb. 8, 1942, the men were assigned to the same unit, were trained in the same camps and went overseas together.

Yesterday, relatives of both men received notification the two had been killed in action in the European area on the same day, April 28.

Insurance Suit Dismissed

ST. LOUIS, Mo., May 11.—(AP)—A damage suit for \$850,000 filed in May, 1936, against 13 directors of the Missouri State Life Insurance Co. of St. Louis, by the state insurance department has been dismissed in circuit court here. The suit was over disapproval of a loan made by the company in 1932.

Jap Menace to North-Central China Looms

Strong Enemy Forces Have Crossed Yellow River

By Richard C. Beigholz
Associated Press War Editor
A Japanese menace to all of north-central China loomed larger today than at any time in six years, with the immediate objective the historic city of Loyang and the rich wheatlands of northern Honan Province.

Chinese headquarters announced strong enemy forces have crossed the Yellow river from Shansi Province at Yuanchu, 45 miles northwest of Loyang. Another Japanese army has broken through Hulao Pass and is within six or seven miles of Loyang from the east.

Japan's northwestern attack on Loyang threatens to outflank the stubborn defenders of the one-time Chinese capital and may force them to retreat westward to Sian, natural gateway to the present provisional capital, Chungking.

Other Japanese troops appeared to have driven the Chinese from their last hold on the Peiping-Hankow railroad but Chinese reports on the fighting were obscure.

American planes scored with a 100-ton strike at the Wewak-Hansa Bay sector of New Guinea, and raided the Schouten Islands northwest of Hollandia, Dutch New Guinea.

Lt. Gen. Joseph W. Stillwell's Chinese troops have swept up two more villages in their drive on the key railroad towns of Myitkyina and Mogaung in north-central Burma. Dive bombers "in great strength" are helping Allied defenders fight off the Japanese invaders in India around Imphal and Kohima.

Central Pacific planes raided Ponape again and also struck isolated Japanese positions in the Marshalls. Ponape, Caroline island guardian to Truk, 440 miles to the west, has been hit every day since March 31 with but two exceptions.

No Collection Of Tin Cans

The Defense Council today announced that the collecting of tin cans by the Pettis County Council of Defense has ceased in Sedalia. The reason given is that there is no place for disposition of the cans in this district at this time.

Sedalia is requested to refrain from placing cans on the school yards until further notice. Until the cancellation of the contract with a Kansas City firm that took the cans, Sedalia's cooperation was greatly appreciated.

Property owners will now have to turn to trash haulers to carry the cans away from their homes, instead of taking them to the school yards.

Mrs. Chiang is Not in Moscow

CHUNGKING, May 11.—(AP)—Mrs. Chiang Kai-Shek, wife of the Chinese generalissimo, and President Sun Fo of the Chinese legislative Yuan, were in the Chinese capital today, and not, as the German radio reported, engaged in negotiations in Moscow.

Mrs. Chiang will broadcast from here to America tomorrow night. President Sun Fo attended to his governmental affairs in the city as usual during the day.

Earlier, the Berlin radio had broadcast a report that Mrs. Chiang and Sun Fo had arrived in Moscow to conduct negotiations on frontier problems and on relations between the Chungking government and Chinese Communists.

Use School For Dormitory

WARRENSBURG, Mo., May 11.—(AP)—A Central Missouri State Teachers college here has rented one wing of a Warrensburg high school building as a girls' dormitory for the summer session. The great number of soldiers from Sedalia Army Air Field and their wives have caused a tightening of rental property.

Mark Twain's Daughter To Marry Orchestra Leader

HOLLYWOOD, May 11.—(AP)—Mrs. Clara Gabrilowitsch, daughter of Mark Twain and Jacques Samossoud, symphony orchestra director, will be married at 4:30 p. m. today. Mrs. Gabrilowitsch is the widow of Ossip Gabrilowitsch, former director of the Detroit symphony, who died about six years ago. Mrs. Gabrilowitsch has one daughter, Nina, 30.

New Draft Laws to Be Announced Today

WASHINGTON, May 11.—(AP)—Selective Service Director Lewis B. Hershey will make public today a broad new policy on draft deferments intended to clarify for some time ahead the trend of recruitment for the armed forces.

Advance reports were that Hershey would make employment in essential industry the sole deferment of men 30 and over. At present deferment is limited to "necessary" workers in essential industry.

S-Sgt. Schick Is Missing

Was An Aerial Gunner On Flight Over Austria

S/Sgt. Cecil L. Schick, known to many of his friends here as "Wimpy" Schick, has been missing in action in the European theater of war since April 23, according to a telegram received from the war department by his parents, Mr. and Mrs. William Schick, 402 South Engineer avenue, early Wednesday afternoon.

Sgt. Cecil L. Schick

Serving as an aerial gunner on a bomber crew, he has been overseas since the first part of January, and was reported missing over Austria. His family received a letter from him last Friday which was dated April 21, just two days before he was listed as missing.

In service since 1942, he was inducted into the air corps October 5, 1942, and has received his training in Arizona, Texas, Florida and Colorado, and left for overseas duty from Westover Field, Mass.

A lifelong resident of Sedalia, he will be 22 years old June 7. He attended Smith-Cotton high school for a time, and was later employed by Pepsi-Cola and Meadow Gold companies before entering military service.

Besides his parents, he has a sister, Miss Juanita Schick, of the home; two brothers, Sgt. Henry Schick, of the air corps, stationed at Dodge City, Kas., and Pvt. Harry Schick, of the infantry, stationed in Colorado; and one half-brother, Woodrow Wilson, of Fort Worth, Tex.

Order Embargo Lifted at Midnight

NATIONAL STOCKYARDS, Ill. May 11.—(AP)—An embargo on hog shipments to the national stockyards was ordered lifted at midnight tonight by the hog marketing committee as good clearance was indicated in the sale of record supplies.

The market was glutted Monday by a run of 44,800 hogs, an all-time high. Delivery of 17,000 salable head Tuesday led to imposition of the embargo to cut off further shipments until the congestion had been relieved.

Explosion In Detroit

DETROIT, May 11.—(AP)—Eight women and one man were treated at Receiving hospital today after an explosion and fire damaged the plant of the United States Feather & Down Co., and firemen aided by coast guards with derrick equipment dug in the debris in an attempt to rescue girl office workers reported trapped in the building.

Force of the explosion was reported to have rocked street cars three blocks away, and to have shattered windows in buildings across the street.

County Bond Drive June 12

The Fifth War Loan will begin in Pettis county on June 12 with the opening of the national drive to sell war bonds. The Pettis county goal is \$895,000, announced C. L. Hanley, director of the Pettis County War Finance committee. The drive will extend until July 8 throughout the nation.

All series E, F, and G bonds sold on June 1 and following will be included in the county quota, Hanley said. The last war loan quota for the county was \$801,000, and Pettis county went over the top and exceeded the quota by more than \$100,000. Hanley and the committee for bond sales in the county expect Pettis county will go over the top again as it always has in the past.

A meeting to plan the Fifth War Loan in Pettis county was held in the Chamber of Commerce office, this afternoon. Sedalia and Pettis county workers for the war loan drive will be announced in the next few days.

Preparations For D-Day Nearing Peak

European Activities Gauged by Relation To Approaching Day

By DeWitt MacKenzie
Associated Press War Analyst

Allied bombing and other preparations for D-day are slipping rapidly towards their peak.

That's not in any way intended as a forecast, to compete with the Hitlerian astrologer who went on the air in Berlin last night and in gloomy gutters announced that "The seventh day after the full moon often sees casualties and death." Next Monday is the seventh day.

However, it's evident that we are approaching the peak of preparedness. That's true not only in the invasion zone but in all other European theatres. For this greatest land-water-air operation of history ("Triphibian," the phrase-coiner Winston Churchill calls it) is to be supported by the coordinated, all-out efforts of every fighting unit that can lend a useful hand, wherever it may be.

Everything seems to be gauged by its relation to D-day. The recapture of Sevastopol illustrates that point. There's a victory which normally would have the world on tiptoe of excitement, since it has everything that makes for drama—a background of glorious military deeds, into which fit the "Charge of the Light Brigade" and the immortal Florence Nightingale, and now the Red army's brilliant siege and capture by storm.

Events Related

Yet we measure the fall of Sevastopol by its relation to the invasion of western Europe. Actually the two events are related in a big way, for the recapture of this strategic Black sea naval base was essential to the perfect functioning of the great Russian war machine which will come into full action again as the Allies strike in the west. The Russian fleet now will be able to give cooperation to the projected Red offensive through Romania into the Balkans, even landing reinforcements.

Another Church Gets \$1,000 Bill

ST. LOUIS, May 11.—(AP)—Two days after Centenary Methodist church reported finding a \$1,000 bill in counting its collection plate offerings, St. John's Methodist church officials said they had received one too. The second was in an envelope inscribed "For St. John's Endowment Fund."

"Two \$1,000 bills!" exclaimed Bishop John C. Brookfield appreciatively last night. "It's an epidemic, we'd be glad to see continue."

The Centenary church's surprising donation was received in last Sunday morning's contributions and St. John's reported the second was found in their evening collection. They believe one person made both contributions.

Priest Reports On Russian Trip

SEATTLE, May 10.—(AP)—The Springfield, Mass., Polish-American priest who went to Russia on a 12-day visit and aroused nationwide comment on his talks with Premier Stalin, returned last night and termed his conferences with Soviet leaders as "very successful."

But the Rev. Stanislaus Orlemanski refused to comment further except that "at the proper time and place we will make a statement."

He indicated his mission was not yet concluded and that further work was to be done. He did not elaborate on what his mission was. While in Moscow he said Stalin was "very friendly disposed toward the Roman Catholic church" and that Catholicism would remain the religion of Poland.

In this country Father Orlemanski's visit was criticized by Catholic leaders and inspired an inquiry in congress as to why a passport was issued to him and Prof. Oscar Lange of the University of Chicago. Secretary of State Hull said the travellers went as private citizens.

Cannot Continue to Draw High Wages

CLEVELAND, May 11.—(AP)—Workers who are forced into lower-paid jobs when the shifting needs of war production affect their plants cannot continue to draw their former wage rate, the regional war labor board ruled today.

The board's decision involved a request of the CIO United Auto Workers that 32 welders at the Twin Coach Co., Kent, O., be paid welders' rates despite the fact that the company had exhausted its welding contracts and the men were working at other jobs.

Europe's Time is Six Hours Ahead Of Eastern States

LONDON, May 11.—(AP)—Clocks in virtually all of Europe will stand six hours ahead of those in the eastern United States when the Allies strike their forthcoming invasion blow.

That time difference now prevails in Britain, France, Germany, Holland, Belgium, Norway, Denmark, Luxembourg, Bulgaria, Hungary, Yugoslavia, Romania and Czechoslovakia.

An example: When it's midnight Eastern War Time in the United States, it's 6 a. m. in those sections of Europe.

Britain's clocks were set up early in April to double summer time—two hours ahead of the normal Greenwich Meridian Time. Germany and its occupied satellites operate on German summer time—also two hours ahead of GMT and six ahead of EWT.

TODAY ON THE War Fronts

By The Associated Press

The war or nerves spread to the Pacific today, with the Tokyo radio speculating that the "lack of major engagements in the Pacific during the last few months" probably is the lull preceding major events.

The Japanese commentator said American forces are preparing for an offensive from the Aleutians, where they have "constructed four large air bases" and have at their disposal "some hundred planes, naval forces and some five or six infantry divisions including paratroops and airborne troops."

He said the Japanese defenders of the northern Kurile Islands were preparing against American offensives from the Aleutians and predicted that the area "will one of these days become a main war theater."

BERN, May 11.—(AP)—The Journal De Geneve said today in a dispatch from its Istanbul correspondent that it was possible the Germans had begun a virtual evacuation of Greece to strengthen defenses elsewhere.

LONDON, May 11.—(AP)—Allied forces soon will hit Germany synchronized blows both from the east and west, Foreign Commissar Vyacheslav Molotov said in Moscow yesterday.

"The time has now come," he was quoted by the Moscow radio as saying, "when the armed forces of the Allies are preparing for resolute joint action against our common enemy—Hitlerite Germany—and the enemy soon will feel the power of our joint blows."

LONDON, May 11.—(AP)—The importance of France's transport system in the impending invasion of western Europe was emphasized by both the Allies and Germans today as the London radio urged the French to keep off the highways after the attack starts and Vichy repeated that passenger train service would be cut Monday to facilitate troop movements.

CHUNGKING, May 11.—(AP)—An atmosphere of unconcealed concern spread in China today as Chinese reports told of yet another thrust on Loyang, several times capital of ancient China in northern Honan Province, and admitted that the enemy finally had succeeded in gaining control of the full length of the Peiping-Hankow railway linking his northern and central forces.

Formations Of Planes Hit Europe

Ground Shaking Roar of Planes Leaving Loudest London Has Heard

LONDON, May 11.—(AP)—Three thousand Allied planes dumped an estimated 5,400 tons of explosives on German airports and rail centers in western Europe today in the 27th day of the great pre-invasion assault.

By Austin Bealmear

LONDON, May 11.—(AP)—American bomber formations whose ground-shaking roar was the loudest Londoners ever heard struck out toward Europe today in the 27th day of the round-the-clock pre-invasion offensive against Hitler's fortress.

Quickly following up last night's fourth assault on Budapest by bombers striking from Italian bases, Marauder and Havoc bombers of the American Ninth Airforce got in the first licks of what appeared to be another day-long assault from British bases in morning attacks on airfields at Beaumont-Le-Roger and Cormeilles-en-Vexin in France.

London observers said the thunderous vibrations of the follow-up daylight fleets were the loudest heard since the war began. The Paris radio network left the air immediately.

Last night's heavy and medium bomber attack on the Hungarian capital came close on the heels of daylight blows yesterday in which more than 3,000 Allied aircraft winging in from both Italy and Britain poured some 4,500 tons of bombs into Europe.

At mid-afternoon a heavy assault began on the mainland across the English channel, violent explosions from the Calais area shook buildings in Folkestone on the English side, and heavy rumblings were as severe as those heard Tuesday night when the RAF hit French coastal areas in their hardest night blow of the war on those targets.

Berlin programs were broken with the familiar "Achtung! Achtung!" warning Germans of Allied formations approaching southwest Germany.

Both heavy and medium bombers of the Mediterranean Allied Air Force attacked the Hungarian capital—last hit May 4—in a nocturnal follow-up to daylight blows against an aircraft factory and an airfield at Wiener Neustadt, Austria, and the Yugoslav rail center of Knin.

The air ministry announced that Britain-based RAF heavy bombers in strength last night attacked railway yards at Lens and Lille, France, and at Ghent and Courtrai, Belgium, while other bomber formations struck at military objectives on the French invasion coast.

Speedy Mosquitos carrying 4,000-pound bombs also raided Ludwigshafen, Germany. In other aerial operations, the communiqué said, British planes laid mines in enemy waters.

From all of the overnight operations, the ministry announced, 15 planes were reported.

New Hope for Missing Major

PLEASANT HILL, Mo., May 11.—(AP)—New hope was held today for Maj. Lawrence M. Faulkner, 26-year-old marine fighter pilot from this city, missing in action since December, 1943, in the South Pacific area.

A letter written by Terry L. King, radio man in the navy in the South Pacific was received by his sister here, Mrs. Everett Bunell, stating that his outfit had picked up "the Faulkner boy" off another island. No official notification has been received by the pilot's parents, Mr. and Mrs. Earl Faulkner, or his wife, Mrs. Margaret Faulkner of Greenwood, Mo.

Fatally Injured When Gored By a Bull

POPLAR BLUFF, Mo., May 11.—(AP)—Thomas H. Wilson, 84, Butler county farmer, died last night of internal injuries suffered yesterday when he was gored by a bull at his farm near here. Wilson, a native of Valley Park, St. Louis, had resided here 37 years.

German Freighter Sinks
STOCKHOLM, May 11.—(AP)—Apparently striking a mine, the 10,000-ton German freighter Odin sank last night just outside the harbor at Narvik, Norway.

Advices from Kiruna, Sweden, said the vessel was carrying a cargo of Swedish iron ore to Germany. Sixty or seventy Germans were said to have been lost.

News Service Will Designate Prayer Hour

YORK, Pa., May 11.—(P)—The Associated Press has been designated as the official source for proclaiming York's hour of prayer on D-day—"to prevent confusion and the possibility of false reports being heeded."

Mayor John L. Snyder made the announcement yesterday in designating E. B. Williamson, editor of the York Dispatch, a member of the Associated Press, to transmit the news of the opening of the invasion from the newspaper's telegraph room to the Manufacturers Association, the Chamber of Commerce and city hall.

Dead Chinese Were Nailed To Palm Trees

Atrocities Are
Reported From
Prisoners Freed

By Murlin Spencer
ADVANCED ALLIED HEAD-
QUARTERS, New Guinea, Thurs-
day, May 11.—(P)—Japanese atrocities, including nailing Chinese to palm trees by driving iron spikes through their foreheads, were made public today simultaneously with the release of a headquarters report that American invaders of Hollandia and Aitape freed 707 enemy prisoners.

Gen. Douglas MacArthur's communique said that 462 of the 707 were Sikhs who are natives of India.

The prisoners included 86 Japanese. The other prisoners freed were Americans, Australians, Dutch, Chinese, Filipinos, Poles and Czechs.

Recently favored targets were hit anew by Allied airforces. Headquarters reported fifth airforce raids on the Schouten islands to the northwest of Hollandia and on Wewak to the southeast. The Thirteenth airforce in the Solomons kept pounding away at Rabaul, New Britain, and bases on New Ireland.

The Australian department of information announced that the liberated Sikhs strongly indicted Japanese treatment of them.

Some of the Sikhs were quoted by the department as saying: "On an 18 days march from Singapore to Kuala Lumpur (in Malaya) we were herded along a road like cattle. At one place we saw a number of Chinese who had been nailed to palm trees with iron spikes driven through their foreheads."

"Fifteen Sikhs who had become ill were put to death at Rabaul (New Britain)."

"On a ship which took us to the Admiralty islands, we were herded below decks like cattle—2,000 of us."

Frequent Beatings

"The men were frequently beaten with sticks and rifle butts. At Manus (in the Admiralty islands since captured by Mac-

Arthur), we had to dig slit trenches for the Japanese but were left entirely unprotected ourselves."

I witnessed the liberation of a number of Sikhs at Hollandia as the 24th division moved across the mountains to drive on the Hollandia airfield.

The Sikhs I saw appeared to be in fair physical condition, better than the condition of the American, Australian, German and Dutch missionaries who were liberated later.

(Although Spencer mentioned German missionaries, MacArthur's communique did not specify them.)

A Sikh by the name of Jemadar Shingara Singh told of seeing the Chinese nailed to the palm trees. "We were told by our guards," he said, "that they had been suspected of helping guerrillas, mostly Australians, who still were fighting determinedly in inland areas (of Malaya)."

"The Japanese tried to make us shave off our beards and when we did get meat it always was unclean. On the way to Manus island, 35 Sikhs died and were thrown overboard. We kept under the hatches and were allowed two cups of water a day for everything

COMMUNITY NEWS from—

Green Ridge

Mrs. J. B. Myers

The first meeting of the new church year of the Missionary society was held Friday afternoon at the home of Mr. and Mrs. J. B. Myers. Mrs. Myers presided over the business meeting in the absence of the president, Mrs. Carl Johnson, and gave a report of the Presbyterian church, Sedalia, Friday. The Rev. J. G. W. Kirchner led the devotional. Mrs. John Palmer, in charge of the program, reviewed with Mrs. F. W. Smith-peter articles on the American Indian. Mrs. Amelia Ragar sang a solo. The hostess served refreshments to the following members other than those mentioned: Mesdames Henry Baslee, E. C. Vogelbaugh, Earl Hinken, Bruce McCampbell, Harold Echoff, L. B. Shaw, Walter Brown, Milton Durill and Mrs. H. A. Elliott.

Mr. and Mrs. L. T. Bailey of Wyandotte, Okla., are in this city for a week's visit with the latter's sister, Mrs. B. F. Whitall at her home in east Green Ridge.

Lieut. and Mrs. James Bullard and baby son are here from South Carolina for a visit at the home of Mrs. Bullard's parents, Mr. and Mrs. L. H. Wadleigh, and other relatives. Lieut. Bullard, flight officer, is recovering from an appendectomy, and will return soon to duty.

Mrs. Doris Ryan of Pleasant Hill visited her parents, Mr. and Mrs. W. F. Binder, and her sister, Mrs. George White and Mr. White of Green Ridge. She left the last of the week for Wichita, Kas., where she has employment with the Booth hatchery. Her husband, Leroy Ryan, is now stationed at Camp Blanding, Fla.

"Aunt Susie Shoots the Works" was the title of the play given Friday night by the senior class at the high school building. A large crowd attended.

Dr. and Mrs. H. A. Hite were in Kansas City the first of the week where the latter was a state delegate to the Auxiliary of Doctors' Wives. Dr. Hite attended the medical convention.

Mr. and Mrs. J. R. McCampbell and daughter, Miss Glenda McCampbell, had as their guests Sunday their son, Pvt. James McCampbell, Mrs. McCampbell and son, Harold. Pvt. McCampbell, who entered military service two weeks ago and is stationed at Fort Leavenworth, Kas., spent a week-end leave with his family at their home in Windsor.

Mr. and Mrs. B. W. Skinner and son, B. W., arrived in Green Ridge this week for a visit with Mrs. Skinner's mother, Mrs. Phil-

lis McCampbell. Mr. Skinner has state of Florida and is being transferred to a new base. Mrs. Skin-

ner and son will remain in Green Ridge for an indefinite period.

L. L. Ream made a business trip to Warrensburg Wednesday and was accompanied by Mrs. E. H. Boltz, who visited with her daughter, Miss Helen Frances Boltz, a student at C. M. S. T. C.

Staff Sgt. John W. Knoop, who is in training with the finance department of the air corps of Cape Girardeau, visited Saturday with his grandmother, Mrs. H. A. Elliott, his aunts, Mrs. J. B. Myers and Mr. Myers and Mr. and Mrs. Charles Dump. Sgt. Knoop is being transferred to a base at Walnut Ridge, Ark.

Mrs. Mabel Martin returned Tuesday to her home in this town following a visit at the home of her son, Mr. and Mrs. Jasque Martin in Kansas City. Mr. Martin has reported for military duty.

Pvt. Vernon Palmer, who was recently sent from Camp Wolters, Tex., to a camp on the east coast, now has an A. P. O. number according to word received by his parents, Mr. and Mrs. John Palmer.

A brooder house and 400 three-weeks-old chicks were destroyed by fire Saturday night at the Charles Bond farm home five miles west of Green Ridge. The fire caught from the stove.

Is Assessed Fine On Bogus Check Charge

John Chapin, of Sedalia, entered a plea of guilty in the court of Judge W. A. Collins, justice of the peace, Wednesday, to a charge of giving a bogus check.

The check, written in the amount of \$3.00, was presented on April 29 to Fred A. Kueck, of Kueck's Cafe. The writer gave the address of 1225 West Main street. The warrant for his arrest was issued on May 9, after the Sedalia Bank and Trust Co. had refused payment because there was no ac-

count for a person of that name. Chapin was fined \$1 and costs, a total of \$9.70, plus the restitution of the amount of the check, which was paid.

Visits Here from West Indies

Mrs. J. C. Newby of the Netherlands, West Indies, who has been visiting her parents, Mr. and Mrs. Fred Ellis, 400 West Fourth street, for the past six weeks, has gone to St. Louis where she will visit two of her sisters and will then go to Sheridan, Ind., for a visit with her husband's parents. Mrs. Newby will spend the summer months in the United States and will be joined here this fall by her husband and after a visit here they will return to the West Indies.

Two years ago Mrs. Newby was sent to the West Indies by the Standard Oil company by whom she was employed and here met and married Mr. Newby, who was employed by the same company.

While in the United States Mrs. Newby must buy clothing, furniture and various needs to last her two years and she was delighted with the Sedalia stores. She had tried shopping in stores in a number of other towns and cities since she had returned to the states but found no stores she liked as well as the stores here.

In anticipation of her trip back to the states Mrs. Newby had thought that the one thing she would like best was a glass of fresh milk. She had had only canned milk at her home, but upon her arrival here she found that fresh milk now made her ill and she could not drink it. She found also that she had lost her taste for fresh vegetables and asked her mother to buy either frozen or canned vegetables.

Dameron Family Moving Away

Mrs. Virginia Dameron and daughter, Miss Virginia, who for many years have resided at 408 East Fourth street, are leaving Sedalia next Thursday for Louisville, Ky., where they will make their home with their daughter and sister, Mrs. T. Fletcher Strain, and family.

Mrs. Strain has arrived in Sedalia to return with them, and they are being joined here by two other daughters and sisters, Mrs. Millard O. Rose, the former Miss Sadie Dameron, of Memphis, Tenn., and Mrs. J. W. Frazier, the former Miss Helen Dameron, of Charleston, S. C. Mrs. Strain is the former Miss Nadine Dameron. The family will celebrate Miss Virginia's birthday, on Saturday, and Mother's Day, Sunday, at the Dameron home, which will then be turned over to new purchasers.

Soldier Killed in Truck Accident

CAMP ROBINSON, Ark., May 11.—(AP)—One soldier was killed and 16 others were injured today when a transport truck taking men to the rifle range turned over inside the camp area while rounding a curve, the Camp Robinson public relations office announced.

The name of the man who was killed was not announced immediately. He was not an Arkansas, camp officials said.

The nature of the injuries suffered by the other men was undetermined. They were taken to the camp hospital.

The public relations officer said the men were members of the 128th battalion of the 81st training regiment in the infantry replacement training center.

Report Eating Houses Violating Ceiling Prices
KANSAS CITY, May 11.—(AP)—More than half of 1,325 public eating places in Kansas City are selling food items or complete meals at prices in violation of ceilings set for the district, Fred C. Burns, chairman of the price panel division of the Rationing Board, asserted today.

Fred Ott, vice president of the Kansas City Restaurant Association, said the high per cent of violations was due more to ignorance than deliberate price violations.

Snyder Sees Lowering Of the Tax Burden

By William F. Arbogast
WASHINGTON, May 11.—(AP)—A lessening of the tax burden in the near future was envisaged today by Rep. Snyder (D-Pa.) as the result of a \$33,607,263,800 "kickback" in war department appropriations.

"The turn of the war in our favor during the last twelve months means a heavy saving to the taxpayers," said Snyder, who is the chairman of an appropriations subcommittee considering the \$49,283,916,500 war department budget for the next fiscal year.

"By the amount appropriated and not needed," he said, "the cost of the war has been reduced and the reduction should be reflected in a lowering of taxes."

Preparation for D-Day Nearing Peak

ments on the Romanian coast if necessary.

Meantime the Red armies are getting set on other fronts for the concerted onslaught against Hitler's fortress, and the fall of Sevastopol will expedite this. In addition to the Balkan drive through Romania, the Muskovites are expected to strike heavily at the heart of Poland from their line between the Carpathians and the Pripiet marshes. They also may attack in the Baltic zone.

Over in Italy, too, there are signs of Allied operations to support D-day. The Hitlerites are looking for offensives both on the Cassino front and from the Anzio beachhead. Probably it was in anticipation of such drives that the Germans here pulled back and straightened their line in the Palena sector, and so made it less vulnerable. They're getting set for the storm.

Berlin Checking

Berlin, feverishly trying to check the invasion machine, reports that the southeastern coast of England swarms with troops ready to embark, and that a huge invasion fleet is assembled in channel ports. Of course, the Allies don't take the trouble to deny that. You can keep D-day a dark secret, known by perhaps six or eight people, but you can't hide thousands of ships and hundreds of thousands of soldiers.

It needs no imagination either to believe that the greatest armada of warships ever assembled is ready for the titanic task of conveying its precious army of invasion to the hostile shores. With all the bombing that's going on it's natural that we should get air-minded, but we shouldn't overlook that the American and British navies will play a mighty part in the adventure.

Warships will lead the way into the mine-filled waters, and they will surround the transports and barges. Their great guns will be tearing at the Nazi coastal defenses in the most terrific bombardment ever known.

In appreciation of the vast responsibility resting on the American and British navies, the famous General Montgomery has made a gesture typical of him. He has visited the home fleet and expressed his thanks.

George A. Jackson Service

Funeral services for George A. Jackson, 87 years old, who died at the Bothwell hospital Wednesday morning, will be held at the Hopewell church, east of Versailles, at 2 o'clock Friday afternoon, with Rev. J. R. Summers, pastor of the Calvary Baptist church, Sedalia, to officiate.

Friends of the family from the Hopewell community will serve as pallbearers and music will be furnished by members of the church.

Services for Secretary Of State Brown

(Continued From Page One)

souri's secretary of state, the governor said Brown "possessed a refined and courteous personality" marked by "freedom from affectation."

"He was simple, gentle and modest, yet withal a man of dignity," Donnell said.

"Mr. Brown was a strong believer in the party system of government, and was active, vigorous and powerful in the affairs of the political party of which he was a member."

Illness Forced Withdrawal

Brown, a Democrat, had served nearly 12 years as secretary of state and last December entered his party's primary for nomination to succeed Donnell—a Republican—as governor, but the secretary's serious illness forced his withdrawal from the race two months before he died.

Donnell said that although "for the past several years his vision had been but slight" Brown was a "man who had overcome, in large part, the handicaps which it imposed."

"Mr. Brown's soul saw beauty, color and majesty through his eyes could not discern them except as through a glass darkly."

He "possessed a refreshing sense of humor and he had to a marked extent the ability to see the human comedy in routine matters about him."

"Long after today shall have passed will tributes yet be uttered respecting him by friends and acquaintances," the governor said.

Aerialist Will Act, Though Hurt

NEW YORK, May 11.—(AP)—Herman Wallenda, member of the famed Wallenda high-wire troupe of Ringling Brothers and Barnum and Bailey Circus, was reported today determined to continue his double backward somersault despite the close call he had with death when he attempted the feat for the first time publicly yesterday.

The aerialist lost his balance and fell on the wire 65 feet above the arena floor. He clutched the wire with one hand and dangled there several minutes until a rope suspended from the dome, was swung to him and he lowered himself to the arena.

Although he suffered a bruised shoulder and burst a blood vessel in his arm, he again went aloft and finished his solo bicycle act.

Late Market Reports

Break in Wheat-Rye Market

NEW YORK, May 11.—(AP)—Low and medium-priced specialties continued to attract timid buyers in today's stock market while most leaders were left to flounder in a slightly irregular area.

Although there still was a trickle of investment funds into favorite issues, many potential purchasers maintained a cash position because of the possibility of a technical reaction which usually follows such a recovery as appeared after the April let-down. In addition, there was a disposition to keep commitments light pending important war developments.

Fractional advances predominated after an uneven opening. These were well distributed near the fourth hour but dealers were slack.

In front most of the time were Gotha Hosiery, Houston Oil, White Motors, R-K-O, Chrysler, General Motors, Santa Fe, American Telephone, Western Union "A" (reflecting a good earnings complication) and International Nickel. Lagrads included U. S. Steel, Bethlehem, Great Northern, Anaconda, Montgomery Ward, Du Pont, International Harvester, United Aircraft and General Electric.

Bonds were narrow and commodities a trifle lower.

Specialties Attract Buy-ers

CHICAGO, May 11.—(AP)—Wheat and rye suffered the worst break in several months on the grain market today when an expansion in commission house selling toward the close disclosed an absence of buying orders under the market. Stop-loss orders were touched off on the decline, which developed in wheat and then spread to other pits.

Major factor in the selling of the bread cereal was the government crop report, issued after the close yesterday estimating a considerable higher winter wheat production than had been expected. Some mill buying appeared in wheat but it failed to retard the drop. In the rye pit, some selling came from a leading elevator concern. Oats were only slightly weaker.

Huge Diamond Uncovered While Pitching Horseshoes

RICHMOND, Va., May 11—(P)—The "lucky" horseshoe rang as it struck the earth and the horseshoe pitcher noticed a bright object partly uncovered.

It was the "Punch" Jones diamond—described as the largest alluvial diamond ever found in the United States, the largest of any kind found in eastern United States and the second largest of any kind ever found in North America.

R. J. Holden, professor of geology at Virginia Polytechnic Institute, speaking today before the annual meeting of the Virginia academy of science, told of the finding of the diamond at Peterstown, W. Va., a few hundred yards from the Virginia line.

William P. "Punch" Jones, who with his parents, Mr. and Mrs. Grover C. Jones and fourteen brothers visited the World's Fair in New York in 1940, was pitching horseshoes with his father about 12 years ago.

Afraid of Ridicule

But in spite of a boyish exclamation of "See I have found a diamond," the stone was not submitted for study until recently. The younger Jones kept the object as a curio but did not offer it for expert inspection immediately "because I did not care to face ridicule for my wild suspicion."

Prof. Holden, chairman of the geological section of the academy, identified the stone as a diamond. He told the academy that the diamond, now loaned by father and son to the national museum in Washington, is of 34.46 metric carats, is white with a slightly greenish tinge, and has no visible impurities except one black spot.

The diamond, he added, is larger than the Dewey diamond of 23.75 carats which was found in 1855 near Richmond and as far many years the largest diamond by far found in the United States.

Destroy Peanut Butter Under Labeled Weight

WASHINGTON, May 11—(P)—Recent destruction of 2,700 jars of peanut butter at Idaho Falls, Ida., because they were slightly under their labeled weight was attributed Wednesday by Dr. Paul Dunbar, acting food and drug administrator, to a "blunder" by representatives of his organization. The butter was burned April 22.

TO HELP RETAILERS DISPOSE OF FATS

An improved grease and fat collection service, designed to help meat dealers dispose of their accumulations more quickly, recently has been put into effect by Standard Rendering Company, Kansas City, Kansas, an official collector in this territory.

Under this plan meat dealers can phone or write for a Standard Rendering Company truck to call, or can ship their grease to this company, collect, whenever a supply is obtained.

Shipments by American Railway Express will receive the full cooperation of local agents who are authorized to handle all details, even to providing containers, where available. Points and checks covering each shipment will be forwarded by return mail.

All local collectors are urged to ship to or communicate with Standard Rendering Company, 635 Adams, Kansas City, Kansas, Harrison 1545, whenever stocks are to be moved. Adv.

quartered, 1 large clove garlic, 1/4 cup chopped parsley, 1 teaspoon tarragon, 1 1/2 cups uncooked rice, broth (giblets and neck may be boiled for this and fortified with a bouillon cube).

Singe, clean and cut up chicken. Rub pieces with lemon juice. Dredge with flour, salt and pepper.

Fry out the bacon slivers in a skillet till crisp. Remove the bacon and place in the casserole. Brown the chicken in the bacon fat a few pieces at a time so that it achieves an even color. Place in a casserole along with the carrots, onion slices, garlic and tarragon. Brown the rice in the skillet in which the chicken was browned adding more fat if necessary. Add this to the casserole and pour the broth over all to completely cover. Place in a preheated 375 degrees F. oven for one hour, or until the rice is thoroughly cooked and the liquid is entirely cooked away. If the broth cooks away before the rice is soft, add a little more to the casserole. Serves four to six.

With meat on the ration list, Beard's book gains in value for it explains in succulent terms how to cook turkey, duck, goose, quail, pheasant, partridge, quail, grouse, venison, moose, elk, opossum and squirrel.

Chicken a la OPA Is Special Sunday Treat

BY GAYNOR MADDOX
NEA Staff Writer

Try chicken on Sunday with a French accent but an OPA figure. Gabriel Fabre, chief of the Barclay, New York, says his recipe will do it.

Chicken a la OPA
(Serves 6)

Two 2½-pound chickens, cut in quarters, 4 carrots in thin slices, 1 whole celery, sliced, 1 pound string beans, cut in two, 1 small bunch parsley, 1 bay leaf, 1 quart broth or water, 3 potatoes in quarters (optional).

Let the chicken simmer in butter slowly for a few minutes, but do not allow it to get brown; add the vegetables, cover very tightly and let simmer very slowly for about 10 minutes.

Add the broth or water, salt, parsley, bay leaf and potatoes.

Orange marmalade tops bread for after-school snack.

Cover again and cook in a slow oven (300 degrees F.) for about 30 minutes. Serve in a deep platter, broth and all, spray generously with freshly chopped parsley.

Leek and Potato Soup
(Serves 8)

Six leeks, only white, 1 onion, 8 large potatoes, 2 cups light cream, 3 ounces butter, salt and pepper, 5 cups broth or water.

Simmer the sliced leeks and onions in butter very slowly. Add potatoes, broth, salt and pepper. Cook for about 45 minutes. Mash through a sieve, return to pot and add cream. Allow to boil again. Correct seasoning. Serve with fried small cubes of bread.

Vitamin-Rich Potatoes Top the Economy List

By GAYNOR MADDOX
NEA Staff Writer

Potatoes belong in the spring diet. Eaten daily, they provide one-fourth of your vitamin C quota—also some B vitamins, iron and other minerals and starch. One medium sized potato contains no more calories than an apple or banana and only half as much as a piece of pie or a hamburger and roll. They are super-abundant and cheap.

Keep potatoes cool, but not cold, and dark. Light gives them green spots that are harmful to eat. And although you can cut off the greenish part and eat the rest, it's wasteful. So cover your stored potatoes well with cloth or paper. You can eat sprouted potatoes if you peel them. But never eat the sprouts. They have the same harmful substance contained in green spots.

Potato Hot Pot

Three cups sliced or diced potatoes, 1 medium-sized onion, sliced, 2 tablespoons fat, 3½ cups tomatoes, 1½ teaspoons salt, pepper.

Cook the potatoes and onion in the fat 10 minutes. Add the tomatoes, salt and pepper. Cover and simmer 25 to 30 minutes, or until potatoes are tender. For variety, add a cup of cooked green beans during the last 10 minutes of cooking, or add a dash of chili powder or a few sprigs of thyme, or sprinkle with a little grated cheese, just before serving.

Potatoes Pancakes

Two cups raw potatoes, ¼ cup milk, 1 egg, beaten slightly, 2 tablespoons flour, 1 teaspoon salt, pepper, 1 tablespoon finely chopped onion.

Grate potatoes and put immediately into milk. Add eggs, flour, salt, pepper and onion. Drop from a tablespoon onto a greased frying pan. Cook until well browned and crisp on both sides. Serve hot.

Menu

Breakfast: Stewed rhubarb, oatmeal, cinnamon buns, butter or fortified margarine, coffee, milk.

Lunch: Potato hot pot, enriched hard rolls, butter or fortified margarine, raw carrot sticks, fresh lemon gelatin with custard sauce, tea, milk.

Dinner: Tomatoe juice, pork chops, apple sauce, potato pancakes, spinach, enriched bread, butter or fortified margarine, scallions and radishes, pineapple crumb cake, top milk, coffee, milk.

NEA Staff Writer

The first warm days put thoughts of camping and outdoor eating into restless hearts. That's why these recipes from Elizabeth Foster's new novel "Dirigo Point" seem to belong in this column. Nate French, the Marine guide, sure knows his potatoes. And Stella uses cream of tartar and soda in her griddle cakes instead of baking powder.

Stella's Griddle Cakes

Two cups flour, 2 teaspoons cream of tartar, 2 teaspoons sugar, 1 teaspoon soda, 1 teaspoon salt, 3 tablespoons melted butter or fortified margarine, milk, 1 egg, beaten.

Sift flour together with cream of tartar, sugar, soda, salt and butter or margarine. Add milk to the desired consistency. Some like them thin, some thick. Then add eggs and bake on hot griddle greased with bacon rind.

Nate's French Fried Potatoes

Cut pared potatoes in even slices and soak in cold water if there is any available. If you are on a

By-products of used fat are needed to make the bag of fine mesh nylon in the blood plasma kit shown above.

mountain top and water is scarce, never mind. An iron frying pan is best, but a tin one will do.

Melt one inch of lard or vegetable shortening in pan. You will all scream that this is not enough, but wait. Heat the fat until it turns a cube of bread golden brown, then add potatoes, and watch the fat rise up and cover them, which it will do nicely.

Cook until potatoes begin to brown, then remove from fat, drain, and set aside until the rest of the meal is ready. Then reheat the fat, put them in again, and brown until finished. They will be much lighter than if you had browned them all at once.

LUNCHEON: Potato soup with chives, tomatoes stuffed with chicken and celery salad, salted crackers, whole wheat toast, butter or fortified margarine, fresh fruit cup, tea, milk.

Night Baseball Openers Draw 58,078 Fans

Plan 'Owl' Schedule In Future Years on Monday-to-Saturday

By Jack Hand
Associated Press Sports Writer

Night baseball's first 1944 turnout totaling 58,078 for three games could be taken today as proof that the national pastime is strictly an after-dark and Sunday business in wartime.

Pittsburgh's crowd of 23,011 last night more than doubled the Bucs' largest previous through this season, and Washington attracted 19,756 customers with 15,311 pre-seated at Cincinnati.

The five day games, featuring similar openings of intersectional series, drew only 19,414 or a per game average of 3,883 as compared to 19,359 under the arcs.

Although the night games had the advantage of being the first of the year and attendance is expected to shrink under a steady diet, still club owners quite likely gave serious thought today to the possibility of the majors following Washington's example with a Monday-through-Saturday "owl" schedule in future years.

Actual night results were overshadowed by the encouraging crowds but all the home teams won to make it perfect for the moguls.

Bucky Walters made sure his 200th start for Cincinnati would be on the right side of the book by driving in Eddie Miller to break a tie in the ninth and beat the New York Giants, 3 to 2. In five starts, Walters has pitched five complete games, won four including two shutouts, yielded six runs and 2 hits in 49 innings.

Jim Russell's double scoring Johnny Barrett and Frank Zak was the big blow in Pittsburgh's three-run spurt in the eighth for a 4-2 nod over Boston.

Johnny Niggeling's knuckler was too tough for St. Louis as Washington triumphed, 5-1, and moved within a game of the second place Yankees and two and a half of the leading Browns. The Nats lost catcher Rick Ferrell who split his thumb in the second.

In the afternoon, the Yankees' six-game winning streak was snapped by Detroit, 4-2 as Paul (Dizzy) Trout scattered seven safeties and weighed in with three singles in the Tigers' total of 13 off Ernie Bonham.

Luke Hamlin broke into the win column with a neat five-hit shut-out job against Chicago as the Athletics hammered out 16 blows for a 9-0 verdict.

Cleveland's Mel Harder hit the 200 win mark of his major league career, although Specs Klienman had to relieve in the eighth of a 5-4 triumph over the Boston Red Sox.

Morton Cooper found his stuff again and pitched the Cardinals to a 4-2 edge over Brooklyn's Whit Wyatt and the Phils helped Chicago drop their 13th straight as Al Gerheuser southpawed a seven-hitter to win 7 to 1.

Sport Shorts
Army and Navy Favored
NEW YORK, May 11—(AP)—The army and navy numerically top the entries for the intercollegiate A.A.A.A. track and field meet at Philadelphia, May 20, with lists of 49 and 45 names, respectively. The lists closed with a total of 403 individual entries from 30 colleges, eight fewer teams than were entered a year ago. Neither service academy ever has won the I. C. 4-A team title.

Amateur World Series
MEXICO CITY, May 11—(AP)—The seventh amateur baseball world series will be held in Caracas, Venezuela next fall, Gen. Manuel Reyes Idonate, president of the international amateur baseball federation, announced today. The series will start some time between Sept. 2 and Oct. 14. Countries eligible to participate are Venezuela, United States, Cuba, Guatemala, El Salvador, Nicaragua, Panama, Dominican Republic, Puerto Rico, Mexico and probably Colombia.

Lou Nova on Comeback Trail?
OKLAHOMA CITY, May 11—(AP)—Lou Nova, California heavyweight battling his way along the comeback trail, arrived here yesterday to work out for his 10-round bout tonight with Don Brouillard of Minneapolis.

Nova, who has knocked out seven opponents in as many matches during his current midwestern tour, will have a weight advantage of some 25 pounds.

Dempsey to Referee
CHICAGO, May 11—(AP)—Jack Kearns, Chicago boxing matchmaker and onetime manager of Jack Dempsey, says he is planning to have the former heavyweight champion referee a preliminary bout on his May 19 boxing show. Dempsey now is a lieutenant commander in the coast guard. The show will be headed by Willie Pep and Frankie Rubino.

Cavaratta Cub Captain
CHICAGO, May 11—(AP)—The Chicago Cubs, who have lost 13 consecutive games under three managers since the season opener, had a field captain to urge them on to victory today.

Phil Cavaratta, oldest Cub in point of service although only 26, was named to the post by Manager Charlie Grimm. The young

first baseman, who came to the Cubs 10 years ago, succeeds Stan Hack, who remained out of baseball this season.

NEW YORK, May 11—(AP)—Duplicating Johnny Longden's feat of the previous afternoon, Teddy Atkinson won both ends of the daily double at Belmont Park yesterday. But while Longden's pair of Soulbats and Romanoff paid off at \$384 in the daily double, Atkinson's combination of Foe O' Woe and Silver Smoke paid only \$31.60.

Sports Roundup

By Hugh Fullerton, Jr.

NEW YORK, May 11—(AP)—Ken Sells, boss of the All-American Girls Professional ball league, has appointed a "personality counselor" for the league who will give the girls a course covering "the important points in personal grooming, appearance and social behavior" during the training season. . . . and don't think that plenty of masculine big leaguers couldn't use a little similar tutoring. . . . Twilight Tear, winner of the Pimlico Oaks yesterday, is said to be the best three-year-old in Ben Jones' barn—and that goes for Pensive. . . . Carmine Fatta, the Newburgh, N. Y., lightweight, is going into the political ring to campaign for Augustus W. Bennett—and he promises it won't be a "smear" campaign although he thinks he could do that fictitiously to Bennett's opponent, Rep. Hamilton Fish, the old Harvard athlete.

A Rookie A Day

Gilberto Torres, Senators' third baseman: A sample of the confusion resulting from Clark Griffith's hiring Latin-Americans. Gilberto was born in Cuba but Scout Joe Cambria insists that his brother, Epitacio Torres, is a Mexican-Indian. . . . the roster lists Berto as a pitcher and he was, winning 19 games and losing 11 for Chattanooga-Montgomery last season. . . . hurt arm chased him into the outfield and he wound up with a .321 batting average. . . . this spring when Hillis Layne and Luis Sauriez were battling for Washington's third-base job, G. Torres stepped in and took it from both. With his current batting mark well over .300, Gilberto isn't likely to be ousted.

One-minute Sports Page

It isn't official yet, but you can get down a future book bet that there'll be no racing at Empire City this summer—and figure for yourself what chance Saratoga has. . . . George Barton, the veteran Minneapolis sports scribe, has authored a piece about Tommy Gibbons for the June Esquire. . . . when Homer Rainey, the University of Texas president, played Texas League baseball he was considered a better pitching prospect than Charley Robertson, who later hurled one of the few perfect games in major league history. Rainey also was one of the few baseballers who wouldn't work on Sunday. . . . an informant who watched the Reds training at Bloomington, Ind., thinks in view of later developments that it was more than just a social call that Jimmy Wilson made there when he still was managing the Cubs.

Service Dept.

Sgt. Dick Peebles, former Sharon, Pa., sports editor who helped publicize the swell New Cumberland Reception Center baseball team last summer, reports the squad has been scattered in all directions with Pat Mullin and Tommy Hughes remaining together at Camp Sibert, Ala., and Manager Joe Lawler going to Camp Patrick Henry, Va. . . . Capt. Dwight (Paddlefoot) Sloan, former Chicago Cardinals and Detroit Lions passer, has been made executive officer of the military police corps at River Rouge, Mich. . . . Soldiers at Camp Croft, S. C., recently contributed \$300 at a benefit boxing show for 10-year-old Kar Brandt, who had participated in junior boxing bouts at Croft before he lost a leg in a traffic accident.

NEW YORK, May 11—(AP)—Duplicating Johnny Longden's feat of the previous afternoon, Teddy Atkinson won both ends of the daily double at Belmont Park yesterday. But while Longden's pair of Soulbats and Romanoff paid off at \$384 in the daily double, Atkinson's combination of Foe O' Woe and Silver Smoke paid only \$31.60.

Thought Message Picking Race Winner A Secret Code

By Kenneth L. Dixon
WITH THE AEP IN Italy, May 10—(AP)—This is the sad, sad story of Sid Feder, racing expert.

Sid picked the winner of Kentucky derby from a battle front 5,000 miles away from Churchill Downs, but was robbed of his reward by a censor who thought his cablegram, in the language of a pony player, was some sort of secret code.

Now a war correspondent for the Associated Press, Feder covered so many derbies and other horse races as a sports scribe that the bangtails whinnied when they passed him. Among these friends was "plain Ben" Jones, trainer of Pensive who romped home in Saturday's blue grass classic.

Down in Kentucky last year, Sid bumped into Jones at a refreshment counter.

Quoth Ben: "I'll do no good in the derby this year, but I have a colt named Pensive who just might win next year."

During the long New York winter Feder wrote a couple of pieces saying that this son of Hyperion and Penicuk II was the best to put a buck on in the winter book. Again in London, when he came overseas early this year, Sid wrote a request derby prospect critique for Stars and Stripes, repeating his "watch Pensive" warning.

That brings the tale up to last Wednesday, when Sid came back from the Anzio beachhead and filed a cable to Ted Husing, CBS sports announcer at Churchill Downs. In simple horse language, Sid said:

"Pensive in Cakewalk for money

marbles or lira. Regards Bill Mat Buck George Ben."

Asked Word Be Spread
Now anyone who plays the ponies can tell you Feder was merely remarking that Pensive was a "shoo-in." Also he was asking that the word be spread to a few old sports pals who might have a bob or two with which to play.

That being done, Sid went up to the Casino front for some more war reporting until he heard that Pensive had won the run for the roses at 7 to 1. Briefly he returned to Naples, envisioning congratulatory

KNOCK OUT INTERNAL PARASITES IN SHEEP AND SWINE WITH TROL

We have this new, safe, thorough de-worming agent that ends fasting and drenching . . . gets after round and nodular worms in a hurry. Get a bag of TROL now! "Just feed it"

TROL-SWINE
Contains: Phenothiazine; Copper Sulfate; Nicotine; Digestor Tankage with bone, etc.
General instructions: Mix TROL-SWINE with the regular feed, or feed straight. Pigs should be sorted and fed according to size, to assure an equal share for each pig. One 25-pound bag of TROL-SWINE will treat 200 pigs under 50 pounds or 100 pigs under 50 pounds. Repeat treatment in 2 weeks and follow with third treatment in 3 to 4 weeks.

TROL-SHEEP
Contains: Phenothiazine; Nicotine Sulfate Solution, 40%; Copper Sulfate, Dry Brewer's Grains, etc.
General instructions: Put TROL-SWINE in feed trough and spread so each animal gets approximately equal share. Then sprinkle a little of their regular feed over TROL. Given no other grain feed until sheep have eaten this entire mixture from trough. One 25-pound bag of TROL treats 200 lambs under 50 pounds, or 100 adult sheep over 50 pounds. See dosage on the sack.

Calls Increase in Salaries of Postoffice Employees Fantastic

WASHINGTON, May 11.—(AP)—Termining proposed increases of five to 20 per cent in the salaries of postmasters "fantastic" and unjustified, Senator Reed (R-Kas) today called upon Postmaster General Frank C. Wallace to investigate the payment of overtime wages to postal workers in the last year.

Reed filed a minority report attacking the postmasters pay bill, declaring it should be held up and that "a thorough investigation by the postmaster general will find negligence and incompetency to an extent that will justify the removal of hundreds and perhaps thousands of postmasters now holding office."

The Kansas contended that most postmasters had "outrageously abused" the authority given them by congress in 1943 to pay overtime for Saturday work of postal employees, and said the cost of this overtime had jumped from \$10,396,420 that year to \$67,557,000 in fiscal 1944.

Indicates Waste of Money
"The waste of public money is indicated on the reports available at around \$60,000,000 annually," Reed's report declared.

In the light of this, he said, the recommendation made last week by a joint senate-house conference committee that postmasters' salaries be raised was an "astounding proposal to reward public officers, who have been negligent and derelict in their duty, with an increase in salary."

Re-1 said the postoffice department estimated the proposed increase would amount to \$6,012,210 a year.

Postmasters now receiving \$1,100 to \$2,000 would get a 20 per cent boost, those receiving \$2,000 and \$4,000 would get 15 per cent more; between \$4,000 and \$5,000 10 per cent and between \$5,000 and \$7,900 five per cent. No increase would be provided for postmasters receiving \$8,000 a year or more.

In the Service

AN EIGHTH AIR FORCE COMPOSITE COMMAND STATION—England—The promotion of Richard W. Austin, of Sedalia, Missouri, from sergeant to staff sergeant was announced recently.

Austin has been in the army 16 months and has spent nine and a half months in the European theater of operations. At present he is in the office of the adjutant at group headquarters of a combat crew replacement center. In civilian life, he was a civil service employee of the engineer department, division real estate sub-office, Southwestern Engineer Division, Little Rock, Ark.

S/Sgt. Austin is the son of Mrs. M. Warren Austin, 1021 South Harrison avenue, Sedalia, Mo. He attended Smith-Cotton high school and Central Business college, both in his home city.

Among those graduating from an intensive course of Basic Engineering training at recent Service School exercises at Great Lakes, Ill., was Harold F. Bradley, 18, son of Mr. and Mrs. J. E. Bradley, 403 West Broadway.

This Bluejacket was selected for his specialized training on the basis of his recruit training aptitude test scores. Graduates from the twenty specialized courses taught here at the Service School are sent to sea, to shore stations, or to advanced schools, for active duty or further training.

Prt 1/C Clair Files left Sunday to rejoin his ship in San Diego, Calif., after a ten days leave spent with his parents, Mr. and Mrs. W. E. Files and other relatives and friends in LaMonte.

His wife and baby son, Jimmy who accompanied him here will remain, spending a portion of the time with her parents, near Green Ridge.

S 2/C Ira I. Williams arrived Thursday to spend his 15-day leave with his family in LaMonte. Mrs. Williams and three children, Ira Jr., Robert, and Evelyn met Mr. Williams in Kansas City and accompanied him home.

Glenn Pace, Jr., seaman second class, U. S. N. R., has been home on leave visiting his parents, Mr. and Mrs. Glenn Pace after finishing his boot training at Farragut, Idaho, and is now going to school at Bremerton, Wash.

Cpl. Jack Lobaugh of Patterson Field, Dayton, Ohio, is home on a ten-day furlough visiting his parents, Mr. and Mrs. Fred Lobaugh and family, 726 East Fifth street.

Young Army Flier Inherits Near \$10,000,000
NORRISTOWN, Pa., May 11.—(AP)—Lt. William Wikoff Smith of Bryan Mawr, Pa., a 24 year old army flyer, inherited nearly \$10,000,000 as the sole beneficiary of his mother's estate, an inventory filed for state inheritance tax purposes disclosed Wednesday.

Attorneys said taxes would reduce the amount to \$5,000,000 or less. Net value of the estate was \$9,984,878.83.

The mother, Mrs. Helen Lanier Smith, died last Feb. 8.

Looking Backward

Forty Years Ago

Charles H. Rockwell is interested in a fine rock quarry about three miles east of the Missouri Pacific shop site, on land owned by Charles Spates, and is figuring with certain parties to operate the quarry and put in a rock crusher. The outlook is good for success crowning his efforts, and if the present plans are carried out much of the material for the new shops can be obtained from the Spates quarry.

Dr. W. E. Foster of Tipton has returned from a business visit in Concordia.

Postmaster Glenn's salary has been increased from \$2,700 to \$2,800 per annum. Other Missouri postmasters in this section have been granted the following increases: Sweet Springs, \$1,300 to

\$1,400; Versailles, \$1,500 to \$1,600; Warrensburg, \$2,200 to \$2,300; Windsor, \$1,700 to \$1,800.

Niles Ritchie of the Missouri Pacific civil engineering corps, has returned from Eldon, where he has been employed on company work.

Grand Patron E. E. Coddling left this morning for Florida, Monroe county, where tonight he will institute a chapter of the Order of the Eastern Star.
